## COUNCIL SETS AUG. 1 FOR PUBLIC HEARING

Albany councilmen set Monday night, Aug. 1, for a public hearing on the appeal from the decision of Planning and Zoning commission to deny the extension of time to a use permit and variance to Jew Tom for a seven-unit apartment at 514 Kains.

Tom has invested \$21,000 in his plans for the \$90,000 building, which previously had been approved both by Council and Planning and Zoning. Because of tight money, he was unable to complete financial arrangements before the original use permit expired last May 19. When Council approved rezoning portions of Adams and Kains, including the 500 block, prohibiting apartments, several specified they would approve the rezoning provided consideration was given to Tom.

In other action at the meeting July 5, Council awarded the contract for the reconstruction of Cleveland Avenue to Lee J. Immel for \$33,351.

It referred for the second time to the Park and Recreation commission an offer from Jerome Blank to donate to the city a strip of land at Portland and San Gabriel.

Council passed its own resolution supporting an allowance for state-imposed school districts, as requested by Albany Junior Chamber of Commerce. Passed on first reading was an ordinance

amending the Fire Prevention code.

Administrative Officer James B. Turner was asked to advise council on procedure following a reading of a report from the Planning and Zoning commission recommending action on Tevlin, including no parking if the street is a dedicated city street, study of the rat problem, cleaning up and improving the street and keeping it clear of debris.

## New Mechanics Bank in Albany

OPENING JULY 25 is this new bright spot on San Pablo Avenue—Albany branch of Mechanics Bank, which is located where the former police and fire stations stood. Bank officials will be honored at a Chamber of Commerce luncheon on July 18 at Serb's, they will host the general public at grand opening and ribbon cutting Monday, July 25, beginning at 10 a.m.

## Luncheon Monday

## Chamber of Commerce Will Honor Mechanics Bank

Members of the Albany Chamber of Commerce will pay tribute to officers of Mechanics Bank at a luncheon at noon Monday at Serb's, 1045 San Pablo Ave. Tickets are \$2.25.

The public is invited to attend the affair, President Joe Dagna said, urging that reservations be made by Thursday, July 14, by calling LA 5-1771 between the hours of 10 a.m. and 2 p.m.

Vice Mayor Joe Egenberger and members of the City Council as well as other city officials have received special invitations, Dagna said. Guests representing Mechanics Bank will include E. M. Downer, Jr., president; Francis A. Watson, senior vice president; Aldo C. Rosati, assistant vice president, and Gerald L. Nelson, local branch manager.

The bank is moving "around the corner" from 1107 Solano to 801 San Pablo Ave., former site of the Albany police and fire departments. The company invested \$100,000 in property and \$200,000 in the building.

The ranch-type white masonry building features automatic

doors, gold carpeting, decorative windows, drive-up window, space for 10 tellers, a customer lounge and conference room. It will use the new sign from the Solano Avenue building, currently being refurbished. The parking lot has space for 30 cars. Both building and lot have been attractively landscaped.

Best of all, Nelson said Monday, is that they will beat their Sept. 1 target date for completion by about six weeks.

Ribbon-Cutting The public is invited to the ribbon-cutting ceremonies at the new bank at 10 a.m. Monday, Sept. 25. Refreshments will be served to visitors throughout the day, Nelson said.

Albany Post-Golden Gate Fields Junior Baseball team will close the 10th District league play in Albany Saturday and Sunday, July 16-17, playing the last two games in the Albany Memorial Park, both games starting at 2 p.m. They will play William Humphrey's post 732 Saturday and San Leandro 117 Sunday.

Commander Noonan appeals to all the post baseball filberts to attend their post's junior baseball team's closing games of the league.

## Lees Back in Town

Mel and Bev Lee and their four children, former Key Route Blvd. residents, have returned to Albany to make their home at 531 Madison.

The family has been living in Central America for the past year.

## Spanning Solano

RAPID TRANSIT workmen installed girders over Solano last Friday morning. Because special state permission was necessary to transport the huge 248,000-pound girders, which are 93 feet long, to Albany from Richmond, there was some delay before this section could be completed.

## Alberito Program Set Tuesday

The Berkeley Workcreation program will be featured at the regular dinner meeting of Alberito Club of Business and Professional Women Tuesday, July 19, at Serb's restaurant, Albany.

Mrs. Ruth Reynolds Knutson, program coordinator, appointed by Berkeley City Manager in 1964, will demonstrate the purpose and procedure of this program. It is a community project operated and supported by city departments and local business representatives. It is designed to meet the needs of youth for jobs, education in business and social fields.

Betty Ramm, civic participation chairman, and Monica Miller, small business promotion chairman, cochaired the arrangements, assisted by committee members, Lillian Valentine, Fern Michna, Yolanda Greco and Mary Bensted.

Alberito Club President Dolores Plant urges all who can to attend this meeting to learn about this unique opportunity for youth in our community. Friendship hour, 6:30 p.m.; dinner, 7 p.m.

## EASTERN STAR

Albany chapter 550, Order of Eastern Star, will honor line officers at a party Friday, July 15, at 8 p.m. at Albany temple, 533 San Pablo Ave. Druella Hobbs, worthy matron, and Raymond Hobbs, worthy patron, will preside.

## COUNCIL

## Pedestrian Safety Award To City--No Fatalities

Albany City Council was notified Monday night that the city has earned a Pedestrian Safety Citation for having no pedestrian fatalities for the third consecutive year.

Copies of the letter from California State Automobile Association will be sent to the Albany police department and Traffic

and Safety commission. With Mayor Richard Clark absent, Vice Mayor Joe Egenberger presided at the half-hour meeting, which was followed by a budget session.

Read and filed were two letters—one from Mrs. R. K. Rowell of El Cerrito complimented and thanked the city for the July 4th fireworks; the second, from 10-year-old Carol Simpson of Albany complained about the condition of Cleveland and asked if something could be done about it. Councilman Lewis Howell suggested that a letter be sent to Gerald explaining that the contract has been let to repair the street and it should be completed before school starts.

Administrative Officers James B. Turner was authorized to proceed with weed abatement and to hire necessary help.

Council passed a resolution authorizing the request for federal funds in the amount of \$5,088 for a specific waterfront plan.

Another resolution commended Norman Jacobson for his service on the Planning and Zoning commission. An ordinance amending the Fire Prevention Code was passed to print (see legal today).

Turner is to make a report on the San Pablo Avenue street lighting project at the meeting next Monday night.

## Incentive For Artists At Art Show

In an effort to make the annual Chamber of Commerce Art Show and Merchants Bazaar Aug. 19-21 more attractive to artists and craftsmen, Art Cochairman Catherine Webb has announced two possible purchase awards.

The Chamber has set aside \$200 to purchase paintings or works of art from the show to decorate the new Civic Center.

Mechanics Bank Manager Gerald Nelson has announced he will be shopping for paintings to hang in the new Albany branch.

Artist applications are in the mail this week, Mrs. Webb said.

## Chief Gerald Browne Named to Board

Louis R. Johnson, Fire Science Coordinator of Merritt College, has named Fire Chief Gerald D. Browne to the Fire Science Advisory Board of the Peralta colleges.

This board will consider means of standardizing fire science courses throughout all colleges in California and will also consider required courses for the Fire Science Certificate of Achievement.

The modern fireman has moved from the checkerboard to the chalkboard in order to meet the challenges to today in fire prevention and suppression," the Chief said. "The only way to meet this challenge head on is in the classrooms of our colleges," the Chief added.

Many of the Albany firemen have availed themselves of these courses and are working toward their degrees in the Fire Science field.

## Another \$200 Needed for City Fountain

Administrative Officer James B. Turner has found another outstanding bill for \$200 on the beautiful Mountain and benches on the west side of the new Civic Center.

Originally it was thought that \$696.70 was all that remained. This amount was donated by the family of the late C. M. MacGregor.

Other contributions to date include Albany Lions Club, \$1,000; Albany Rotary club, \$1,000; Soroptimist club, \$100; American Legion auxiliary 232, \$25; Alberito Business and Professional Women's club, \$25; and a second contribution from the Legion auxiliary of \$20.

Upon completion of financing, Turner said, a plaque will be installed naming contributors.

## Fireworks Open Benefit Horse Show at GGF July 15

Forty-five minutes of fireworks and a show featuring speed events will be the rewards for the spectators at the benefit performance, opening night, of the Oakland National Horse show at 8 p.m. on Friday, July 15, at Golden Gate Fields.

This performance, designed particularly with children and young adults in mind, is open to the public.

It not only benefits Lincoln Child Center, an institution in Oakland that aids emotionally disturbed children, but will also honor many children's organizations and servicemen's groups throughout the Bay Area by the dispersal of complimentary tickets to members of those groups.

Among the enthusiastic supporters of the National Horse Show to be held July 16 and 17 are the many sponsors of the 64

events planned for that gala week end.

The feature attraction of this year's show will be the Pacific Coast jumping team championship finals. Entries for the English and Western divisions of the show will be represented by riders from the western states.

First produced in 1963, the Oakland National Horse Show is a quality show of national character, carrying on the traditions of its renowned Oakland predecessor of over 30 years ago. For the past two years the show has been held at the Contra Costa County fairgrounds in Antioch, awaiting completion of the Oakland-Alameda County Coliseum.

HAPPENED TO watch an eerie television program the other morning. It was an interview with an Air Force man who was one of a team who had had actual contact in 1958 with whoever or whatever is manning those Flying Saucers we used to hear so much about. They spoke in English, he said, had great interest in the topography and geography of this planet, but none in the inhabitants. Many of the things they predicted have already happened, he reported, adding that they said that in 1967 there would be earthquakes, which would wipe out Japan and devastate California. (Knew there was some reason Montana always seemed so appealing!)

AND THAT'S "30" until Aug. 31!

**COUNCIL** (Continued from Page 1)

Mayor Richard O. Clark was asked to write letters to Roy Harford thanking him for his years of service to the city, to the family of the late C. M. MacGregor for a contribution to the fountain and benches at the Civic Center, and to the Albany Times thanking those who assisted with the Fourth of July fireworks.

A resolution of commendation for Norman Jacobson for faithful service on the Planning and Zoning commission was authorized.

Councilman Lewis Howell dis- missed as "nit-picking" a letter from the Department of Corrections making recommendations for improvement of conditions at Albany City Jail, which was opened about Jan. 15 and in- spected less than two weeks later. On Howell's motion, Council asked Police Chief Ralph Jensen to dis- cuss the matter with Murray Hannon, field representative.

Referred to the budget com- mittee was City Assessor Myrtle J. McLean's assessment roll for 1966-67 indicating a slight in- crease over last fiscal year.

Following a discussion of the curbside delivery of mail, it was decided to send a letter to the League of California Cities asking that a resolution be included on the agenda at the conference in San Diego opposing curbside mail delivery and asking that the Post Office regulation be rescinded.

Council paid tribute to Coun- cilman George Hein and Mayor Clark who spearheaded the suc- cessful Fourth of July fireworks, which for the first time almost paid for itself.

A meeting with the Board of Education to discuss the 35-cent school tax on Albany city tax bills will be held the last part of July or first part of August.

The meeting ended at 9:10 p.m.

**REBEKAHS**

Berkeley Rebekah Lodge 262, Independent Order of Odd Fel- lows, will hold its first meeting of the second term of 1966 Wednesday, July 13, at 8 p.m. at Berkeley Odd Fellows Temple, 2288 Fulton Street. Noble Grand Jessie Wyles will preside over the meeting. Miss Elsie Hansen will be chairman for the evening and a Lemon Night Social will be held after the business session. Each member is requested to bring a lemon.

**Clark Named to Bay Fill Committee, Mayors' Conference**

Mayor Don Dillon of Fremont, chairman of the Alameda County Mayors' conference, has named Albany Mayor Richard O. Clark to the Bay Fill committee. Pleas- anton Mayor Warren R. Harding is the other member of the com- mittee.

At the July meeting at Holiday House in Hayward with Union City as host city, mayors heard Clark tell of Albany's confron- tation with Bay Conservation and Development commission, which is attempting to obtain an injunc- tion to close Albany's fill.

"This is a case of narrow in- terpretation of the McAttee- Petris Act," Clark said, explain- ing Albany's contention that it comes within the grandfather clause of the act. "It is a case of local government versus re- gional control. We hoped for co- ordination of our plans with theirs. This has not happened. We have taken action asking for declaratory relief as to who has control . . . it will have ramifi- cations for all cities in Alameda County."

Mayor Carl Crawford of Em- erville, where fill has been stopped, said, "I'm glad to see Albany with us. We felt we were alone. Now Albany is in it and maybe others will be too."

Union City Mayor Bernie Mor- ales was unanimously named to the Human Relations commission and San Leandro Mayor Jack Maltester was reappointed ABAG representative with Mayor Dillon as alternate.

Much time was devoted to a discussion of curbside delivery of mail, particularly as it affects Pleasanton, which passed an or- dinance making curbside delivery illegal. The postal department has made it mandatory that in new subdivisions all mail be de- livered to boxes at curbside so a man can deliver by motor scoot- er. The move would save the postal department at least \$336 million per year.

Pleasanton Mayor Harding and City Manager Jim Phares warned that if their city loses its battle with the postal authorities, "they'll move into every one of your cities and pick you off one by one."

Mayor Clark of Albany agreed, urging Pleasanton to fight. "If they force you to submit, they'll attack core cities like Albany. We don't want those curbside boxes either."

Dillon named Newark Mayor Kenneth Foster, Hayward Mayor John Smith and Clark to a small animal commission to look into

the possibility of uniform dog li- censing and vaccinations through- out the county. William E. Davis, assistant county administrator, outlined a possible program.

The next meeting will be Aug. 3 in Emeryville. On Sept. 7, mayors will be taken on a spe- cial preview of the new Oakland coliseum before the meeting.

**Stamp Show In Oakland Aug. 6-7**

The largest summer outing of stamp collectors in the Northern California area will be the 21st Annual Show sponsored by the East Bay Collectors club, Aug. 6 and 7. Admission is free.

With the cooperation of the Oakland Park Department, the Garden Center near Fairyland in Lakeside Park will be open from 10 a.m. to 6 p.m. for viewing of over 700 album pages of stamp collections of a widely varied nature.

It has been estimated that over 150,000 people enjoy the hobby of collecting stamps, covers (used envelopes bearing stamps) and postal stationery in Northern California area. Stamps range from 100-year-old rarities to the new space age issues.

Prize winning exhibits will be selected by a popular vote of those attending.

For younger children there will be a fishing pond with valuable "catches" waiting to be picked up on magnetic hooks.

## Monique Allbeck, Addie Hickok Exhibiting Art at City Library

Two local artists, Monique Allbeck of El Cerrito and Mrs. Addie Hickok of Berkeley, are exhibiting works at the Albany Public Library during the month of July.

The bright colors of Mrs. Allbeck's large canvases are a result of her admiration, since her early school days in Belgium, for the late 19th and early 20th Century French school masters such as Van Gogh, Gauguin, Derain, Braque, Matisse, Vlaminck, etc. Since painting is, for Mrs. Allbeck, very much an emotional experience as well as an esthetic one, her landscapes, whether they are semi-abstract, oversimplified or distorted, are of a symbolic nature. This is illustrated in "Provence," a work in which one figure, a house and group of trees express something more intense than an inert landscape fixed on canvas. The bold brush strokes in the "Golden Hills" suggest the adventurous past of the fast-growing State of California.

Mrs. Hickok's works, mostly in a traditional mode, are marked by lighting effects that can be both soft and dramatic, contributing to their charm and nostalgic mood.

Prior to coming to El Cerrito, Mrs. Allbeck has painted with three artists respectively in Norfolk, Virginia, and Monte Carlo, Monaco, over an interval of six

years. For the past two years, she has been at the Richmond Art Center under the instruction of Harry Lum. She is also attending a summer class with Tom Holland. Mrs. Allbeck has displayed works at the Mt. Diablo Therapy Center in Pleasant Hill, and also in several Bay Area art festivals.

Mrs. Hickok is a member of the Art Section of the College Women's Club and of the Oakland Art Association. She has studied under Catherine Hagen, Virginia Rogers and Joseph Stone and has exhibited at the T Club in the Tilden Golf Course and at the Berkeley and Albany art shows.

## Country Fair Benefit for CP Center

The spacious grounds of the Alameda County Cerebral Palsy Center will be transformed into a country fair to rival the wonders of Disneyland for a three-day period in late August.

"Carousel Capers — An Old-Fashioned Country Fair" is the designation for the family-type fete, which is being sponsored by the Cerebral Palsy Association's Capella Auxiliary in cooperation with other auxiliaries of the association.

Mary Valle, Capella Auxiliary president and secretary of the CP association, is chairman of the affair, to be held August 26-28 at the CP Center grounds at 4500 Lincoln Blvd., Oakland.

## Psychology Classes In Albany Summer School

Three courses in psychology are currently being offered by the Albany Adult Center located at 603 Key Route Blvd. Although the summer session has already commenced and will continue for six additional weeks, admission is still open to interested students of all ages, including those in grades eight through 12.

Psychology of Adjustment is presented on Tuesday evenings from 7 to 10. Special emphasis will be placed upon human conflict and adjustment with a brief investigation as to the nature of defense mechanisms, mental disorders, and methods of psychotherapy.

Applied psychology will place emphasis on the learning process, creative problem solving, understanding the process of maturation, and theories of personality development. This course is offered on Thursday evenings from 7 to 10.

A course in the Psychology of Personal Development, designed to help students become more confident, more attractive, more poised, and better able to meet life's challenges will be offered by the Albany Adult School on Thursday mornings from 9:30 to 12:30 and on Tuesday evenings from 7 to 10.

All classes at the Albany Adult Center are open to the enrollment of those students residing in or out of Albany.

## MEDICARE

(A Series)

by Gerald O. Dewhurst

One of the new terms that elderly residents of Berkeley-Albany will find introduced with Medicare coverage is "spell of illness."

Hospital insurance section of the Federal Medicare law provides full payment of a patient's hospital costs for the first 60 days of each "spell of illness" after he pays the first \$40 costs. It also provides for payment of all but \$10 a day of his hospital costs for the 61st through the 90th day in each "spell of illness." An insured person can have more than one "spell of illness" in a year.

A "spell of illness" is a period of time which starts on the first day after June 30, 1966, on which you receive medical care in a hospital or extended care facility (usually a convalescent hospital). It lasts as long as you are in the hospital or extended care facility. Sixty days must pass after you leave the hospital or extended care facility before a new spell of illness starts.

The average length of time people stay in a hospital varies in different hospitals and areas but generally it is 10 to 15 days. This means that most people will not stay long enough in the hospital or extended care facility to use up all benefits.

There will, however, be some cases of quick, successful illnesses where it will be important to know how many days you have left in the "spell of illness." The Social Security Administration will have a record of each "spell of illness" and you will receive this record after you leave the hospital.

What services are covered when you go to the hospital will be the subject of the next article.

## Note of Thanks

Editor, the Times: The members of the Albany City Council, on behalf of the residents of Albany, wish to extend thanks and appreciation for the excellent support given the City in making the fourth of July celebration a success.

Many individuals and groups participated in the activities in Memorial Park and the fireworks display which completed the day of celebration. Only through the cooperation of individuals and groups can activities of this type be presented in a worthwhile manner for community enjoyment.

To all those who participated, the Albany City Council extends its sincere thanks and appreciation for a job well done.

Very truly yours,  
RICHARD O. CLARK, Mayor  
City of Albany, California
